

# Connecting Enterprise & Diversity

## YORKSHIRE & THE HUMBER

### At ATL our ethos is simple...

To promote and deliver quality, accessible and inclusive services to individuals who may otherwise find it difficult obtaining information, advice and guidance.

ATL'S core aim is to increase the participation in enterprise, life long learning, employment opportunities and community engagement throughout the region by actively working with individuals and groups from diverse backgrounds and communities.

# Connecting Enterprise & Diversity

## YORKSHIRE & THE HUMBER

Our team at ATL takes huge pride in delivering quality services that enables them to fulfil their mission to support an ever changing and increasing customer base, helping them turn their dreams into reality.

With our partners Yorkshire Forward, Business Link, Learning and Skills Council, NHS and LEGI programmes, we continue to ensure that Yorkshire and the Humber remains one of the most enterprising and vibrant regions in the country.

We actively work with individuals from diverse backgrounds such as:

- Women
- European Community migrants
- People with disabilities
- South Asian
- Black, African and Caribbean
- Third Age - 50+ Age group
- Third Sector - Community, Voluntary and Faith Groups
- White community members living in recognised areas of deprivation
